CREATE YOUR SIGNATURE

Poederbaas glaubt, dass jeder Mensch in seinem eigenen Abenteuer einen bemerkenswerten Weg gehen wird. Poederbaas entwirft die Kollektion und testet sie, bevor mit der Produktion begonnen wird. Ein Teil der Kollektion wird immer noch von einem Team von Großmüttern hergestellt, die stolz auf jedes Produkt sind, das sie herstellen. Der andere Teil wird von Organisationen produziert, die Mitglieder der Business Social Compliance Initiative sind. BSCI ist eine Initiative zur Unterstützung von Einzelhändlern, Importeuren und Marken, die die Arbeitsbedingungen in landwirtschaftlichen Betrieben und Fabriken weltweit verbessern wollen und die mit einem gemeinsamen Verhaltenskodex für die Übernahme sozialer Verantwortung arbeiten.

Poederbaas-Mützen werden hauptsächlich aus hochwertigen Acrylfasern hergestellt, die stark sind, nicht fusseln und sich weich anfühlen. Diese Faserart ist wasser- und windabweisend und UV-beständig. Sie nimmt kein Wasser auf (Wasseraufnahme 1 %), und die Fasern trocknen sehr schnell. Sie hält die Wärme besser als Wolle und juckt nicht.
